Air Quality Monitoring with Citizen Science

Addressing key challenges for the integration of citizen science data into the Green Deal Data Space

A G E N D A

13:00 - 13:20	**Introduction and welcome**
13:20 - 13:35	**Keynote by Achim Haug from AirGradient**
13:30 - 13:50	**Keynote by Lukas Mocek from SensorCommunity**
13:50 - 14:00	**Break**
14:00 - 14:10	**What are the FAIR principles?** Zeyd Boukhers, Fraunhofer FIT
14:10 - 15:00	**Pain Point Mapping** What are your difficulties, frustrations and needs in your data Life Cycle? Let's discuss them together!
15:00 - 15:10	**Break**
15:10 - 15:40	**Group Discussion & Presentation** Each group shares top ideas with the rest of participants.
15:40 - 15:55	**Wrap-Up and Next Steps**
